HYDCO 500RC DRILLING RIG MOUNTED ON 1989 OSHKOSH 8 WHEEL DRIVE CAB CHASSIS TRUCK

*Under Instructions from Mr Chris Baskerville at Jirsch Sutherland as Liquidator Appointed to:
Down to Earth Drilling Pty Ltd (In Liquidation)*

Information:

The Hydco Drill and Oshkosh truck was refurbished in 2017 and has not been in operation since the refurbishment due to the company being placed into Liquidation. The rig does not come with drill accessories.

The Liquidator of the company commissioned a maintenance report by Drillman Pty Ltd in July 2021 for the sale process which is ready and available for the buying markets information and inspections are welcome.

We have completed a video of the asset with operational movements along with photos for buyers information.

The asset can be inspected in Hervey Bay Queensland by appointment.

For inspection arrangements, maintenance report document and further information contact via email Mr. Terry Kirkham terry@globalauctioneers.com or telephone 0418-358469

Tender closes 5pm, Friday 17th of September 2021.

Tender Documentation is available by contacting claudia@globalauctioneers.com

A 5.5% Plus GST Buyers Premium will be applied to the Final Sale Price.
